WELCOME TO CMT PAGE

The “Welcome to CMT” page appears notifying you that an email was sent to you with a verification (activation) link.

VERIFICATION EMAIL

Important

1. If no verification email is received, please check the spam/junk folder.
There are some universities/workplaces which have strict firewalls and CMT emails do not get through. We suggest contacting the IT dept and asking them to whitelist '@msr-cmt.org'.
2. **Most importantly - make sure your browser is up-to-date.** Typing '[edge://settings/help](#)' into Microsoft Edge will let you know if your browser is current, and it will automatically update if it is not.
3. For web-based emails like **GMAIL**, please clear the cache.
4. Make sure the email used for your account was **not misspelled** in any way.
5. If there is still no verification email with the link, contact [CMT Support](#) directly.

The email will look like this:

Hello John,

Please click the following link to complete email verification:
